Nampa Public Library Call to Artists – Spanish (Language) Area Mural

Attention: Claire Connley

215 12th Avenue South, Nampa, ID 83651

Please note: No submissions will be accepted after the deadline.

Selection Process:

This call is for qualifications and past experience only. No design concepts need be presented at this time.

A selection panel representing the Nampa Public Library will meet, review applications and will choose two finalists who will be paid \$100 each to create site-specific proposals for consideration.

Preference will be given to artists with ties to the Treasure Valley. Chosen finalists will then prepare proposals on a 24” x 36” board.

ABOUT THE LIBRARY:

The Nampa Public Library and the Library Foundation want to enhance the library experience and celebrate our community with art. Operated by the City of Nampa, the Nampa Public Library provides access to information, as well as educational and cultural opportunities, regardless of means. As an added attraction to the downtown community, the library also helps build Nampa’s economy. The Nampa Public Library is a place for literacy and an environment for art.

PROJECT OVERVIEW:

This mural is financed through the Nampa Public Library Foundation will be funded by a Hispanic (Spanish) grant from Key Bank. The mural will be located on the third floor of the library building in the Spanish (Language) area.

The design of the installation is open to interpretation, yet the selection panel will encourage artwork that feels welcoming to all ages. Chosen art should reflect the library’s character. The library’s “guiding principle” is that of a rooted tree.

The Mural Should:

- Be of cultural and/or historical importance to the Hispanic community of the treasure valley.
- Reflect the struggle of Hispanics in Idaho to balance a desire for educational success and the demands of working in the agricultural industry.
- Provide excitement and interest for the community as a whole.

The artist should be aware of other art elements in the building:

- The three-story Feature Wall entitled “A Wider World” by Boise artist Leslie Dixon
- The ‘main donor wall’ in the lobby (Four panels of an abstracted tree in a landscape by artist Jerri Lisk and surrounded by birds cut out of aluminum)
- The hanging lobby sculpture entitled “Planting Seeds” by Boise artist Matt Grover

The new mural should complement these existing art elements.

It is the artist’s responsibility to ensure that all artwork is of a permanent nature, meets safety requirements and adheres to building codes. Artwork must be durable and must require minimal maintenance.

The Nampa Public Library strives to be an inclusive gathering place for the community. This installation should complement the library aesthetics, and be seen as a gift to library patrons and visitors.

PROJECT DETAILS:

The wall space is approximately 13’ 5” high and 8’ 7” wide. Installation of the artwork is to be coordinated with library staff, and not to exceed the \$2,800 budget.

The two finalists will be able to tour the site and meet with staff to ask questions.
