To dedicate the 8th Street Tunnel mural, *E Pluribus Unum (Out of Many, One)* by Addie Boswell.

About E Pluribus Unum (Out of Many, One)

Completed in October 2022, Boswell's mural acts as a beacon of light for all who pass through it. The mural project was in response to instances of antisemitic graffiti in the tunnel. This space, literally under a bridge, serves as a metaphorical bridge between the riverbank and the work of the Wassmuth Center, home of the Idaho Anne Frank Human Rights Memorial. The mural complements, contributes to, and expands on the educational content of the memorial. Learn more: [E Pluribus Unum \(Out of Many, One\)](#)
