

Photojenic Art Network – Call for Artists

Questions/Clarifications: Jen Satterthwaite, photojenicnw@gmail.com

Deadline: Ongoing

Opportunity:

We Founded the Photojenic Art Network to link artist's and businesses. We are looking for artists that would be interested in collaborating with us to create a diverse collection of art that businesses can lease or purchase. We will be creating a website allowing businesses to select the pieces they wish to lease on a 12 month or 2 year subscription based rotation of every 6 months, and/or purchase. As well as a website we will also be having featured artists on our Instagram and Facebook pages, as well as including a short biography of each participating artist.

Guidelines for Artwork:

- Artists are asked to have a selection of 5-10 pieces that they would be willing to have placed in local businesses, such as offices, hotels, restaurants, medical offices, etc.
- Artwork should be ready for installation with hanging wire, or d-rings already installed on work.
- Pieces should be no smaller than 10x10 and no larger than 40x60 and cannot exceed 75 pounds.
- Three-dimensional work cannot exceed 84 inches in any direction and should be accompanied by a pedestal/or be ready for display as a freestanding or self-contained work and cannot exceed 90 pounds.
- Please keep in mind when submitting your work the spaces they will be potentially used in. We do not accept sexually explicit, hateful or offensive pieces.
- Delivery of pieces will be on part of the artist to the Photojenic Art Network office prior to delivery to the client
- Artists must be 18 years of age and older.

We will be holding an informational get together in July for those that have signed up (date/time/location TBA) to go over how artists are compensated, and who we work with in the community.

How to Apply: Please fill out the Google form linked [HERE](#) along with uploading up to 10 images of your work including title, dimensions, and description.

Keep up on what we are doing and planning via our Facebook page :
