Message: You are hereby notified of the following clarifications of and/or changes to the above referenced project.

<u>Question</u>	<u>Answer</u>
The digital forms are in pdf format and my Adobe program does not let me print on pdfs. I can read the forms but I can't fill them in. Is it possible to get the required forms as Word documents?	Please refer to Addendum 3, Attachments 1 & 2 for a Word version and/or editable PDF of the Application portion of this call.
What is the landscape plan for the site?	Please refer to Addendum 3, Attachment 3 - Hayman House Cultural Site Plan
Can I propose a specific design for this project?	At this phase, in qualification, we are not seeking visual proposals. It would not be appropriate to include a visual proposal as it could harm your chances of being considered if the panel does not respond well to your design. This project's process is intended to allow for collaboration between the project team and the artist during design development. If the artist has ideas, the letter of interest can be used to describe general approach or areas of interest or further exploration for design development but try not to be specific to a singular project or idea.
