

# SUNDAY, MARCH 1, 2020

GEM CENTER FOR THE ARTS | BOISE, ID

## PROCLAIM A NEW LIFE FOR PRE-OWNED WORKS OF ART!

**It's time to** unpack that postmodern, dust off that decoupage, and pull that still life out of storage!

*Art Revival* provides a unique venue to recirculate previously appreciated artwork. Part sustainability event, part silent auction fundraiser, *Art Revival* showcases the artfulness of reusing and recycling, while supporting two Treasure Valley nonprofit organizations dedicated to reducing material waste and countering the environmental impact of throw-away consumerism.

*Art Revival* is currently seeking your donations of high quality, pre-owned paintings, sketches, photography, sculpture, giclée/prints, and more for its 2020 debut at the Gem Center for the Arts. *Art Revival* will also accept contributions of upcycled art, made from a minimum of 90% used, reclaimed, or found materials. Donations will be selected for inclusion by a juried volunteer committee of art professionals.

The event will support the missions of the ReUse Market & the Zero Waste Boise Institute.

For selection criteria, please email [joanie@reusemarket.org](mailto:joanie@reusemarket.org). To schedule a donation drop-off, please email [zwbi@centurylink.net](mailto:zwbi@centurylink.net).

### SAVE THE DATE:

#### ART REVIVAL

Sunday, March 1 | 2 to 4:30 p.m.

Gem Center for the Arts | 2417 West Bank Drive | Boise

### Art Revival Co-Beneficiaries:

**ReUse Market:** The goal of the ReUse Market is to keep clean, reusable art/craft materials out of the landfill and put them into the hands of artists, crafters, teachers, and others who can repurpose them into imaginative works of art as well as useful personal or household items.

More: [www.reusemarket.org](http://www.reusemarket.org)

**Zero Waste Boise Institute:** The mission of the Zero Waste Boise Institute is to counter the environmental and social impact of throw-away consumerism, by advancing the principles of reduce and reuse.
