Collister Neighborhood Association

Donors: Suzanne Stone

Dates: 1990s – 2000s

Extent: 4 LF

Biographical History:

The Collister Neighborhood Association (CNA) was formed at the first meeting in November 1993, Officers and Executive Committee were elected in February 1994.

Neighborhood boundaries are:

North: Boise City Area of Impact

South: State/Taft Streets

East: 36th Street

West: Pierce Park Lane

The original mission of the association was to:

1. Encourage public participation in area issues
2. Be a resource for area residents
3. Keep public informed of issues affecting them

The collection includes documentation on projects the CNA has completed with various grants through the Neighborhood Investment Program (NIP – formerly Neighborhood Reinvestment Grants) notable projects in the collection include trail markers, neighborhood signs, park improvements, and pedestrian bridges.

Scope/Content Description: The collection is primarily paper documents, there are 4 compact discs with photographs from a park picnic in 2004. The bulk of the material is from the late 1990s and early to mid-2000s. The collection is very strong in studies/plans and project documentation, with project documentation split between City of Boise and Ada County Highway District (ACHD).

Arrangement: The collection is kept in original filing order as received from the donor, current President of the association, Suzanne Stone. It is loosely arranged as:

- Association founding, meeting minutes/agendas chronologically
- Projects
- Developments
- ACHD
- Transit

Conditions Governing Access: Collection is open for research.

Languages: Materials are in English.
